

15

SIGNS THAT IT'S TIME TO *QUIT YOUR JOB*

1

You're bored all the time

2

Your skills aren't being tapped

4

You feel like you can't ever win

3

Your employer's goals and your personal mission don't match up

5

Nothing you do is ever enough

6

You feel physically, or mentally exhausted all the time

7

Even little things feel overwhelming

8

You're not growing

10

You can't laugh out loud at work

9

Your company isn't invested in you

11

You worry about money — all the time

12

You don't trust your boss

14

You don't talk to your co-workers

13

You dread Mondays

15

Or simply, you just know that it's time to move on
